

## **JÄMSÄ MAIN LIBRARY, KENRAALINTIE 12 JÄMSÄNKOSKI**

### **DISABLED PARKING**

The parking space for persons with reduced mobility is located in front of the main entrance of the library.

### **ACCESSIBLE ENTRANCE**

In front of the main entrance, there is a height difference of about 4cm. The main entrance is also accessible via a narrow ramp. The entrance door opens automatically, and the entrance has a somewhat high doorstep. The returns hatch is located on the Taipaleentie side of the library. In front of the main entrance and returns hatch, there is some room for moving with a wheeled mobility aid.

### **ELEVATOR/FACILITIES**

The library has facilities on three floors. Each floor has an information board with the layout of the library and the locations of facilities, the service desk, different departments and toilets. Every floor of the library can be accessed by elevator and stairs. The library's furniture is arranged in a clear way, and there is enough room in the library to move around with a wheeled mobility aid. There is a low doorstep to the library's newspaper reading room; otherwise, there are no doorsteps between different rooms. The staff will be happy to help you in the library.

### **INDUCTION LOOP / ACCESSIBILITY EQUIPMENT**

For its customers, the library has reading glasses, a magnifying glass, a stroller, book baskets, and stools that make it easier to reach the upper shelves. The library has an induction loop and instructions for its use.

### **ACCESSIBLE TOILET**

Every floor of the library has an accessible toilet. There are hand supports on each side of the toilet seat.

### **LARGE PRINT COLLECTION / ACCESSIBLE MATERIAL**

The library has plain language literature, audiobooks, literature in foreign languages, hyphenated and easy-to-read books, picture books in foreign languages, large print literature and language course packages. The library also provides IDs for the Celia audio book service and help for using it, as well as Celia audiobooks on CD.
